

IMMACULATE CONCEPTION ACADEMY Fundraising & Volunteering – 2021-2022 Academic Year

In order to minimize tuition increases it is necessary for ICA to participate in fundraising events throughout the year, to participate in shopping rewards programs, and to seek additional and creative sources of funding. We have several mandatory events throughout the year and an array of other events that require staffing.

School Year Events

School Cleaning Days: We have quarterly cleaning days throughout the school year.

Needed: There are thirty-two shifts total: eight people are required each of the four selected Saturdays during the year.

ICC Golf Outing: This year we will host our 15th Annual October Golf Outing. If you are not volunteering at this event, please consider participating in the outing as a player and invite your friends to join. During this event, we also have silent actions and raffles. If you have any gift certificates, gift baskets, or unique items that you are willing to donate for this raffle, please contact us.

Needed: Five people are needed to assist on the day of the outing.

Annual Field Day: This annual event includes student participation in grades K-12 in some capacity. We ask that each family do their part by engaging their students in raising money and contributing with finances and/or time.

Needed: Ten people are needed to assist by joining the planning committee and/or assist on the day of the event.

Traditional Duties of ICA Parents & Students

ICA has been in existence for over 40 years and has developed some traditions that work well for us. Please honor them and help us to continue to make our events a great experience for all. All events listed below are funded with class money, but we kindly request your participation:

First Holy Communion Brunch: The parents of the 2nd grade students help to host the First Communion brunch each year.

Hot Lunch Dessert: Parents of the 7th & 8th grade students take turns in preparing desserts on the first and third Wednesday of each month.

Donut Sales: The 9th & 10th grade students manage the Sunday donut sales after Mass. Parents are expected to assist as needed.

Graduation Brunch: Parents of the 7th and 11th grade students host the Gradation Brunch each year.

Junior/Senior Banquet: The 11th grade students host the Junior/Senior Banquet. Parents are needed to assist.

Vending Machine: The 11th grade students manage the vending machines. Parents are expected to assist in purchasing snacks and drinks. The food/drink items are purchased with the vending machine money.
